- Next Steps

Why Is That Place Empty?

Take advantage from abandoned houses.

Basic Idea

- Thousands of abandoned houses/places are present all over the world.
- Any solution for mapping online where these places are located and for utilizing them exists.
- FindMyPlace will help everyone interested in discovering more about abandoned places and take advantage of them.

➡ We want to make 🏠 alive. Again.

User Stories

As a user of the FindMyPlace platform, I want to...

01 Search Abandoned Places

02 Mark Abandoned Places

03 Add/Edit Information

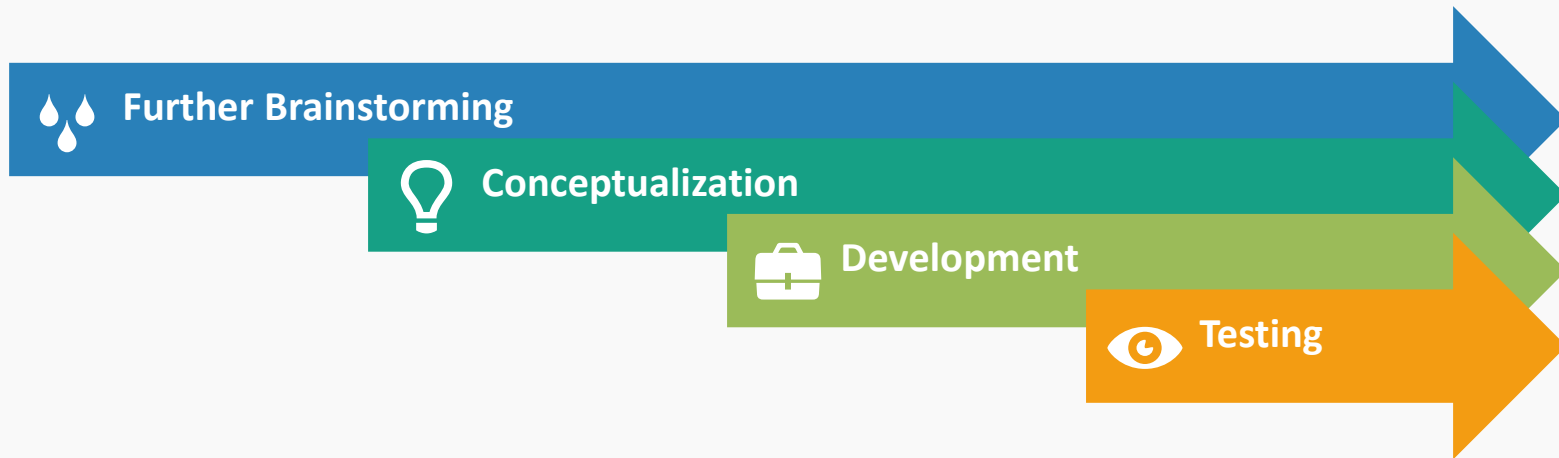

04 Propose Projects

05 Vote Best Projects

06 Blacklist Users

A user would have the possibility to get very easily information about abandoned places/houses nearby or in a specific location. After discovering about an interesting place, he/she would have the possibility to propose a project that may be realized at that place/house. In The user may also suggest an activity or project that may be conducted by a different person at a specific place.
